

## REMARKS

In the official action the Examiner sets forth a restriction requirement, the Examiner asserting that claims falls into two groups, namely, Group I (claims 1 and 29) and Group II (claims 23, 28, 43, 48 and 54).

In a telephone call with the undersigned on 15 April 2008, the Examiner confirmed that the dependent claims associated with the aforementioned independent claims also fall into the same group as their associated independent claim.

The Applicant hereby elects the claims of group II, namely claims 23 - 28 and 43 - 58, for initial examination in this application.

An action on the merits of this application is awaited.
